(B) This section shall not apply to any vehicle which was stolen at the time of the violation, provided the theft was reported to the police within 24 hours of the discovery.

(Ord. 1527, passed 5-17-10)

§ 10.10.040 IMPOUNDMENT.

Whenever a police officer has probable cause to believe that a vehicle is subject to tow and impoundment pursuant to this chapter, the police officer shall provide for the towing of the vehicle to a facility authorized by the city. Before or at the time the vehicle is towed, the police officer shall notify the person identifying himself or herself as the owner of the vehicle or any person who is found to be in control of the vehicle at the time of the alleged violation, of the fact of the impoundment of the vehicle and of the owner's right to request a preliminary vehicle impoundment hearing to be conducted in accordance with this chapter. The vehicle shall be impounded pending the completion of the hearing provided for in the following sections, unless the owner of the vehicle posts with the city a cash bond in a form of payment acceptable to the city in the amount of \$500 and pays all towing and storage fees for the vehicle.

(Ord. 1527, passed 5-17-10)

§ 10.10.050 APPEAL; PRELIMINARY HEARING.

If the owner of record of a vehicle seized and impounded pursuant to this chapter desires to appeal the impoundment, the owner must make a request for a preliminary impoundment hearing within 48 hours of the impoundment. The request shall be in writing and filed with the Chief of Police or his or her designee, who shall conduct such a preliminary hearing within two business days of receipt of the owner's request for the hearing. For purposes of this chapter, **BUSINESS DAYS** shall mean Monday through Friday, excluding holidays. All interested persons shall be given a reasonable opportunity to be heard at the preliminary vehicle impoundment hearing. The formal rules of evidence will not apply at the hearing and hearsay evidence shall be admissible. If, after the hearing, the Chief of Police or his or her designee determines there is probably cause to believe that the vehicle is subject to impoundment pursuant to this section, he or she shall order the continued impoundment of the vehicle as provided in this section, unless the owner of the vehicle posts with the city an administrative fee in a form of payment acceptable to the city in the amount of \$500, and pays all applicable towing and storage fees. If the Chief of Police or his or her designee determines there is no such probable cause, the vehicle will be released without penalty or payment of other fees.

(Ord. 1527, passed 5-17-10)

§ 10.10.060 NOTIFICATION OF HEARING.

Within ten business days after a vehicle is impounded pursuant to this chapter, the city shall notify by certified mail, return receipt requested, addressed to the owner of record of the date, time, and location of a hearing that will be conducted, pursuant to this chapter. The owner shall notify the Chief of Police or his or her designee, of a plea of not guilty at least two business days prior to the hearing. If a plea of guilty is entered, the case will be disposed of at the time. If the owner pleads not guilty and had not notified the Chief of Police or his or her designee of the intent to plead not guilty, a final hearing may be scheduled and held. The final hearing will be conducted pursuant to the city's administrative adjudicative procedures in City of Crest Hill Ordinance no. 1610. In a hearing on the propriety of impoundment of a vehicle, any sworn or affirmed report that: 1) is prepared in the performance of law enforcement officer's duties; and 2) sufficiently describes the circumstances leading to the impoundment, shall be admissible evidence of the vehicle owner's liability, unless rebutted by clear and convincing evidence. If, after the hearing, the hearing officer determines by a preponderance of evidence that the vehicle was used in connection with a violation set forth in this chapter, the hearing officer shall enter an order finding the owner of record of the vehicle civilly liable to the city for an administrative penalty in the amount of \$500 and requiring the vehicle to continue to be impounded until the owner pays the administrative penalty to the city and all towing and storage charges due for the vehicle. If the owner of record fails to appear at the hearing, the hearing officer shall enter a default order in favor of the city. If the hearing officer finds that no such violation occurred, the hearing officer shall order the immediate return of the owner's vehicle or cash bond without fees.

(Ord. 1527, passed 5-17-10)

§ 10.10.070 PAYMENT.

If an administrative penalty is imposed pursuant to this chapter, such penalty shall constitute a debt due and owing to the city. If a cash bond has been posted pursuant to this chapter, the bond shall be applied to the penalty. If a vehicle has been impounded when such a penalty is imposed, the city may seek to obtain a judgment on the debt and enforce such judgment against the vehicle as provided by law. Except as provided otherwise in this chapter, a vehicle shall continue to be impounded until the penalty is paid to the city and any applicable towing and storage fees are paid in full, in which case possession of the vehicle shall be given to the person who is legally entitled to possess the vehicle or the vehicle is

sold or otherwise disposed of to satisfy a judgment to enforce a lien as provided by law. If the administrative penalty and applicable fees are not paid within 30 days after an administrative penalty is imposed against an owner of record who defaults by failing to appear at the hearing, the vehicle shall be deemed unclaimed and shall be disposed of in the manner provided by law for the disposition of unclaimed vehicles. In all other cases, if the administrative penalty and applicable fees are not paid within 30 days after the expiration of time at which administrative review of the hearing officer's determination may be sought, or within 30 days after an action seeking administrative review has been resolved in favor of the city, whichever is applicable, the vehicles shall be deemed unclaimed and shall be disposed of in the manner provided by law for the disposition of unclaimed vehicles under the Illinois Vehicle Code. (Ord. 1527, passed 5-17-10)

§ 10.10.080 POSSESSION OF VEHICLE.

(A) Except as otherwise specifically provided by law, no owner, lien holder, or other person shall be legally entitled to take possession of a vehicle impounded under this chapter until the administrative penalty and fees applicable under this chapter have been paid. However, whenever a person with a lien of record against an impounded vehicle has commenced foreclosure proceedings, possession of the vehicle shall be given to that person if he or she agrees in writing to refund to the city the amount of the net proceeds of any foreclosure sale, less any amounts required to pay all lien holders of record, not to exceed the administrative penalty, plus the applicable fees.

(B) The provisions of this chapter authorizing an owner or other party to regain possession of a motor vehicle are not applicable when vehicle or asset forfeiture proceedings have been instituted under state or federal drug asset forfeiture laws or Article 36 of the Illinois Criminal Code of 1961. In such case, the city shall not release, or dispose of, the vehicle to any person except as consistent with those proceedings.

(C) In the event the Crest Hill Police Department determines that the vehicle impounded pursuant to this chapter should not be released to its owner or other persons, or disposed of as an unclaimed vehicle, due to the need to retain the vehicle as part of a continuing criminal investigation, or as evidence in a crime, then the city shall notify the owner that the vehicle will be retained and not released except as required by law.

(D) For purposes of this chapter, the **OWNER** or **OWNER OF RECORD** of a vehicle is the record title holder as registered with the Illinois Secretary of State or applicable agency of a foreign jurisdiction. When in this chapter, the word **OWNER** or **OWNER OF RECORD** is used, it shall apply to all owners. This chapter presumes that all owners have equal rights to an impounded vehicle. In instances of multiple owners of a vehicle, the city shall not have a duty or responsibility to inquire or determine whether all owners concur with, or object to, any action taken, or omissions by any one owner in relation to the impounded vehicle. (Ord. 1527, passed 5-17-10)

§ 10.10.090 IMPACT ON EXISTING ADMINISTRATIVE ADJUDICATION SYSTEMS.

This chapter shall not affect the validity of the system of administrative adjudication authorized by state law, including the City of Crest Hill ordinances, and in existence prior to the effective date of this chapter. (Ord. 1527, passed 5-17-10)
